## Donate your Christmas Cards to St. Jude's Ranch for Children:

Christmas Cards will be collected in the Municipal Building and the Community Center for donation to St. Jude's Ranch for Children, a home for neglected, abandoned, and abused children. For over 30 years, St. Jude's has made recycled cards from donated cards. Each child receives money for each card he or she makes, which is divided between savings, spending money, and a group outing fund.

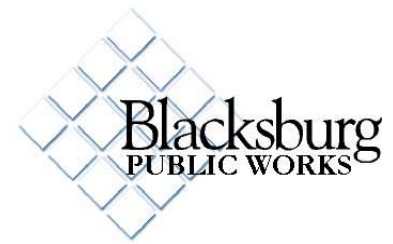

### Guidelines:

- Cards must be free of writing on the back of the front (picture) page
- Only the front (picture) page should be donated
- Cards should be able to be attractively trimmed to fit a 5x7 inch card back
- St. Jude's also accepts Easter, Thanksgiving, Mother's Day, and other special occasion cards
